## EXPERIENCE

Playa Design Co. *Art Director/Designer*  
January 2020 - Present

Freelance art direction, design, illustration and creative consulting with various brands and clients. Covering a variety of creative needs from concept to completion – including brand development/brand refresh, logo design, brand strategy, style guides, pitch decks, campaign concepts & development, art direction for photoshoots (product styling, in-studio, lifestyle), packaging design, print and digital advertising, web design, social media content, animation, original artwork and illustrations, iconography, influencer marketing, retail displays, window displays, experiential marketing, store signage, takeaway cards, business cards, and more.

Alltruists *Creative Director*  
December 2021 - October 2022

Lead and manage all creative projects for both digital, print, product and marketing assets. Design and manage brand guidelines and all product lines. Ensure designs and content reflect consistently across all platforms. Collaborate cross functionally on all creative content.

MedMen *Art Director*  
April 2019 - January 2020

Lead the strategic development of MedMen experiential marketing campaigns across print, digital, and environmental designs. Packaging design, concepting and branding for MedMen private labels. Oversee the development and execution of retail concepts, including POP display, visual merchandising, and signage. Digital design for web and emails. Art direction for lifestyle and product photoshoots.

TOMS *Senior Designer*  
January 2019 - April 2019

TOMS *Print Designer*  
June 2016 - January 2019

Concept and creation for campaigns, design seasonal catalogs and lookbooks, retail store displays, retail and wholesale signage and window displays, visual merchandising and propping, and tradeshow displays. Packaging design for shoes and eyewear, hangtags and footbed design.

*Freelance Graphic Designer*  
June 2015 - June 2016

Print + digital design, logo design, packaging, branding, social media content, illustration and photo-retouching for various clients across several industries including entertainment, retail, food/nutrition.

Applegate *Junior Graphic Designer*  
June 2014 - June 2015

Designed Applegate packaging and point-of-sale material including store signage and displays, illustrations, and printed booklets (including a coloring book!)

Anthropologie *Visual Display Intern*  
August 2012 - February 2013

Create three-dimensional artwork for Anthropologie store interior and windows to inspire the customer and complement the merchandise/seasonal look and feel.
